Tip Sheet - August Apalachicola Just Shut Up and Fish Tournament

When and Where:

- Planned Captain's Meeting: Thu Aug 8th, 6:30pm at [East Point Beer Company](#)
- Tournament fishing: Aug 9th-10th, (Fri-Sat) - 2 Day Format
- Planned Weigh-in - Text pictures to 470-233-0051
- Headquarters – Our headquarters will be Bay City Lodge, Apalachicola. This is where the optional physical weigh in will be and where our Awards Social event will be on Saturday evening
- Weigh in times: By 7:00 pm Friday & 6:00 pm Saturday
- Awards Social: Saturday August 10th, 7:30pm at the Ley House Cabin at Bay City Lodge. It will be a BYO event. Member John Shipp has volunteered to cook and the club will provide hushpuppies, cole slaw, fries and dessert. Bring your own:
 - Chairs
 - Fish (John and Sammy will blacken it)
 - Drinks

Other Tournament Information:

- Fuel – Bay City fuel pumps often close prior to the end of the day's fishing. We'll work with them as much as possible to stay open later. They usually open by 0600 for morning fueling.
- Scoring - per **Customized Catch and Release Matrix**. Boats must leave from anywhere between Mexico Beach and Carrabelle after the Captain's Meeting. There will be no location restrictions regarding state or federal waters.
- Rules - Tournament will follow the Nearshore Rules and Guidelines with a customized matrix to include standard offshore species. Custom Matrix will be posted on the [ASWSC Tournaments](#) page
- Measuring Device – as described in the Nearshore Rules Addendum you must have an approved measuring device. You may want to bring a "device extender" if you catch a large AJ or King or a fish you do not boat. Think of a brush handle or pool noodle with at least 6" marks to hold over the side for a large fish. Just show it to the tournament director at the captain's meeting.
- See below re: measuring rules:
 - *The measuring device must have clearly visible minimum increments of ¼ inch and a vertical stop for the nose of the fish.*
 - *2) The measuring device must be brought to the captain's meeting and must be approved by the tournament director.*
 - *3) Fish caught that are longer than the measuring device will be counted at the longest measurement on the device.*
- Physical Weigh In - A **physical weigh in is not required**, but **you're welcome to keep any legal fish** for your own purposes. We will review the photo procedures at the captain's meeting.
 - We will follow the [Nearshore Tournament Rules Addendum](#) for scoring, etc.
 - It is not necessary to be landed to send pictures of your fish, nor to you have to stop fishing after weigh in time on the first day of fishing. Any fish caught after the weigh in deadline can be used for the following day. Stay out and fish if you want, but you must get your pictures texted in prior to weigh in time.
- Scales - Scales will be available. Please text Steve if you want to weigh in a fish for a possible club record or photo and he will arrange it.
- AOY/BOY Points - This tournament will not count towards Angler nor Boat of the Year awards
- Divisions – There are no Nearshore nor Offshore divisions in this fun tournament. It is one open division. Fish where you want as long as it's between Carrabelle and Mexico Beach
- Cost - This is a no cost and no-frills tournament. Don't expect fancy trophies but there will be bragging rights to be won. For the Awards Social feel free to bring your own drinks, adult beverages and chairs, we'll probably take a collection and order some carry out Pizza and/or Chinese.
- Tripletail and Tarpon - come a day early and join us for a [Tripletail/Tarpon charter](#). Details at link.

- Sabiki rigs tipped with shrimp (optional) work well for pinfish, sand perch, etc.
- **Do not** try to use the water at Bay City to keep your bait, it is too fresh. Use seawater and an aerator to keep bait alive.
