Cajun Clash Tip Sheet / September 28 - October 3, 2025

Bridge Side Marina: 1618 Highway 1, Grand Isle LA 70358
Open 5:30AM – 7:00PM Contact: 985-787-2418

Captains Meeting - Sunday, September 28 at 5:00 PM – Location is TBD, but around Bridge Side Marina. This meeting is mandatory for the captain of the boat to attend.

Tournament Fishing - The tournament will run from the Captains Meeting through 5pm on Friday, October 3rd. We will determine fishing days, weigh-in times, etc. prior to the tournament, based on weather.

Weigh-in will be at the Bridge Side fish cleaning station and docks. The times will be determined and communicated at the Captains Meeting.

Awards Banquet and Dinner- Friday October 3rd, 7:30 pm at Starfish Restaurant. It is mandatory that the tournament director has a completed application and payment by the September 5th deadline if you are going to attend the awards dinner, to ensure we have enough food for everyone.

Where to stay: Most club members will stay at Bridge Side Marina. The dockage is \$20 per day up to 30' and \$40 per day over 30' with the room. <https://www.bridgesidegrandisle.com> Phone: 985-787-2418

Boat Ramps: There is a ramp at Bridge Side Marina. The launch/retrieval fee is minimal.

Trailer/Boat storage: Trailer storage is available at the marina.

Fishing Info: Inshore, Nearshore, or Offshore, Grand Isle has it all. King mackerel fishing should be excellent along the oil rigs, and nearshore reefs. Further offshore the dolphin, wahoo, tuna and marlin should all be possible catches. Be sure to check current regulations before fishing.

Tackle/Supplies: Bridge Side Marina has a good selection of tackle, ice, and other supplies. Subject to availability, they also have live shrimp, live and frozen bait.

Safety:

Satellite Messenger: Given the remote nature of Grand Isle and the desire to do overnight trips to the oil rigs, we highly encourage our members to have a satellite messenger on the boat (i.e., Garmin inReach). If you are expected to weigh-in one evening and do not show, the Coast Guard will be called and you will be responsible for any costs.

VHF Radio: If you have multiple radios, please ensure one radio is always monitoring channel 16. If you have one radio, please ensure you are on a “scan” option as the Coast Guard can only hail on channel 16.
