Sportsman's Club**

Club Meeting & Cookout at BAY MARINE

2394 Cobb Pkwy NW, Kennesaw, GA 30152

Saturday August 15, 2026 - 3:00 PM

Head Northwest on August 15th for a great club get-together and a fish fry! We'll also provide bottled waters, but feel free to bring your own beverages. The previous meetings we've had at Bay Marine have been some of our most enjoyable, informative, and memorable. Bring the whole family.

Guest speakers will be:

- **Greg Matson (Boat Buying 101)**
- **Curry Chapman (Boat Maintenance)**

Bring all your questions about boats and motors; this is your chance to get the answers. The meeting will also be a great chance to connect with friends, meet other members, share information, & make fishing plans. We plan to have some nice raffle prizes as well.

Note: The August meeting venue is being provided courtesy of club member Greg Matson and his partners at Bay Marine. Bay Marine and their friends/associates have been ASWSC *super-sponsors* for many years. *Thank you, Bay Marine!*
